“Agricultural Society. List of Subscriptions 1931.” *Ramsey Courier* 15 July 1932: 7. For Ballaugh, see 7a.

The subscriptions to the Isle of Man Agricultural Society for 1931 take up the entirety of page seven and serve as a reminder of the role that agriculture played in Manx life such that the *Ramsey Courier* was prepared to devote the space.

STEPHEN MILLER, 2018
