MANX BOOKS FOR GERMANY

Recently an application arrived at the office of this paper from Germany, for books in the Manx language and upon Manx subjects. The applicant was Dr Heinrich Zimmer, of Berlin, professor of Celtic subjects in the University. He has been supplied with the following publications, viz:

- Cregeen's Dictionary.
- Kelly's Dictionary.
- Manx Testament.

Manx Bible.

Manx Prayer Book.

Manx Hymn Book.

Moore's Manx Ballads with Music.

Wood's Poems.

Cookson's Poems.

Skealyn Æsop (Farquhar).

Jannoo ny Hostyllin (J.J. Kneen).

Moore's History in two vols.

Yn Chied Lioar Gailckagh (W. Kneen).

Manx Sermon on the Love of God (W. Kneen).

Moore's Manx Worthies.

It is evident that the professor is determined to justify his position in the Celtic world. They are calculated to provide him with close studies for some time to come but on receipt of the parcel he has written for other works relating to the Island, which order is now receiving attention.
